

Beginning Square Dance Lessons Questionnaire

It is always our intent to be the best we can be and with your feedback on this survey you can assist us in maintaining the high standards that we set for ourselves. We also have questions that will give us feedback that is beneficial to the club, angels and our dance facility. Be straight forward with your answers, we can't fix a problem if we don't know what it is. Feel free to put your name on the survey, or feel to put someone else's name on the survey, but we ask if you DO NOT like something please let us know how or what you would consider an appropriate change or solution to fix said problem.

Again it has been our pleasure to be a part of your Square Dance Experience. We will always be here to answer any questions you may have as you move forward into the world of Square Dancing.

We have given you enough information to get you started into this fun activity, but remember you are just at the start of your square dancing career. The learning process in square dancing is an on going thing.

Remember it's not the quantity of calls you know that make you a proficient square dancer, it's the quality of the calls.
